

## 2021 Annual Conference (Virtual) March 3-5, 2021

*Dear Sponsor:*

The 2021 Georgia Adult Education Association (GAEA) Annual Conference will be held virtually March 3-5, 2021. While we won't get to gather in person on Jekyll Island this year, we are still planning an outstanding lineup of speakers presenting on the latest trends and best practices in continuing education, lifelong learning, professional development, and contract training. We hope you will support us for our **2021 Annual Conference: Continuing Education Re-Imagined!**

We are also in the final stages of designing a **brand new website**, which we hope will be interactive and informative for GAEA Members, and give sponsors like yourselves an opportunity to have a year-long presence with our organization.

*Our Mission*

To promote and develop adult and continuing education in Georgia among groups and individuals engaged in the field of adult/continuing education through communication, interaction and professional development that serves people of Georgia.

*Conference Attendees*

We expect approximately 60-70 attendees at the 2021 GAEA Annual Conference this year. They are employed through the University System of Georgia, the Technical College System of Georgia, as well as independent organizations and businesses that provide workforce training, continuing education, lifelong learning, and adult education throughout the state.

Partnerships, such as yours, allow us to provide high quality professional development opportunities for our membership. I hope we can count on your support for our 2021 Annual Conference.

*Sincerely,*

Angela Myers-Jenkins  
GAEA Vice President of Programs  
Clayton State University

# Sponsor & Exhibitor Information

---
