Dear Sponsor:

The 2022 Georgia Continuing Education Association (GCEA) Annual Conference will be held in person March 27-29, 2022 at the Hyatt Regency in Savannah. We are planning an outstanding lineup of presenters focusing on workforce and contract training, marketing and programming. Attendees will have the opportunity to learn new strategies for providing award-winning programs while strengthening the ideas and processes already have in place.

Our sponsors add invaluable resources and credibility to the conference every year. Support the conference and stay involved with GCEA all year long! We hope you will join us for our **2022 Annual Conference: Embrace the Change, Empower the Future!**

Our Mission

To promote and develop adult and continuing education in Georgia among groups and individuals engaged in the field of adult/continuing education through communication, interaction and professional development that serves people of Georgia.

Conference Attendees

We expect approximately 60-70 attendees at the 2022 GCEA Annual Conference this year. They are employed through the University System of Georgia, the Technical College System of Georgia, as well as independent organizations and businesses that provide workforce training, continuing education, lifelong learning, and adult education throughout the state.

Partnerships, such as yours, allow us to provide high quality professional development opportunities for our membership. I hope we can count on your support for our 2022 Annual Conference.
